

## CD400 BACKPACK SPRAYER - \$172.00

Jacto's 4-gallon CD400 backpack sprayer has long been a popular choice among farmers, landscapers, construction crews and others who need extreme toughness and maximum resistance to abusive chemicals. In independent tests, the CD400 exceeded more than 2500 hours of continuous operation without breaking down.

### Features

- Brass piston pump for long life and chemical resistance.
- Adjustable thick padded shoulder straps.
- Piston Cup: 2 Viton® cups.
- Internal mechanical agitator for constant mixing.
- Heavy-duty trigger valve is field serviceable.
- In-tank piston pump for safety and cannot leak on the operator.
- Professional stainless steel spray lance.
- Adjustable hollow cone nozzle standard.
- Right or left hand operation of pump lever.
- Pump lever lock and spray lance lock for easy storage.
- Steel tank base protects tank from damage when dropped.
- Anti-corrosion electrostatic powder paint on metal components.
- High density polyethylene UV resistant tank.
- Handle built into the top of the tank for easy carrying or for hanging storage in shops and equipment trailers.
- Net weight 9.3 lbs.
- 3-year warranty, see owner's manual for details.
