Items in this flyer are used, refurbished, demo, shop worn, one-of-a-kind, discontinued, surplus, mis-ordered, repossessed, rentals, found in shop or under a salesman's desk AND some really neat stuff

~ All items in this flyer are priced FOB Rapid City SD and are to be paid for at time of purchase ~ No warranty on used units and components (it works at our location) ~ Due to lack of storage space and protection from our forklift drivers, **items must be picked up or shipped within 20 days of purchase** ~ Warne Chemical & Equipment Company Inc reserves the right to make changes in price and/or description should an error be found

(2) HOSE REEL \$750.00

Coxreel electric hose reel. Approximately 400' of 3/8" hose. Four-way hose roller guide. Used one season.

(61) 225/125-GALLON DUAL TANK SPRAYING UNIT - \$2,900.00

Used part of one season. GX160 Honda recoil start engine with direct coupled centrifugal pump. Agitation in both tanks. Valving manifold to switch between tanks. Unit designed to fit in an 8' pickup box. Does not include hose reel.

(5) 325-GALLON SKID MOUNTED SPRAYER - \$4,200.00

New 325-gallon tank. Used Honda GX390 electric start engine. Refurbished Delta 75 diaphragm pump producing 19.5 gpm and 560 psi max. Used electric reel with approximately 300 feet of 5/8" hose. 4-way hose roller guide. No handgrip.

(15) GAS POWERED FERTILIZER SPREADER - \$2,800.00

That's right, it is self-propelled and pushes itself. Thought our applicators would love this.

However, our guys like to work hard. GX120 Honda recoil start engine. Hydraulic driven motor. 80 lb

capacity. Stainless steel / aluminum frame. 4-wheeled frame for stability on hills. Both speed and spread width controls. Unit is 27" wide. Takes the work out of pushing a spreader because it pushes itself.

(25) CHAPIN 24-VOLT BACKPACK SPRAYER - \$120.00

4-gallon tank. 24-volt lithium ion battery. 6" wide lid for easy filling. Built in handle to make carrying it easier.

(68) ECHO PB-2520 GAS POWERED "LEAF" BLOWER \$100.00 each

Used by our applicators to clean up sidewalks, driveways, and other places where granular fertilizer may go and is not wanted. 2-stroke engine—453 CFM—that's 170 mph!!! Be sure you are able to handle that kind of power.

(23) TEEJET NOZZLES WITH CAPS AND GASKETS

Experienced, but like new.

XR8015SS	XR8020SS	SJ3-15	SJ3-20
34 available	40 available	36 available	40 available

\$5,000.00

(19) Flojet 4420-753 PUMP - \$79.00

Refurbished sensor controlled pump. Reversed for Jackrabbit Pro. Looks like the poor guy has lost his identity, but he works as good as new.

**(20) 200-GALLON SKID MOUNTED
SPRAYER - \$4,200.00**

New 200-gallon tank. New 160cc Briggs & Stratton recoil start engine. Hypro 9915-D403 diaphragm pump producing 9.8 gpm and 560 psi max. Used electric hose reel with 300' of 1/2" hose and roller assembly. No handgun.

**(27) 375 BOOMBUSTERS - \$68.00 EACH**

Found in Ken's desk drawer. Not sure why they were there and neither is he. Used very little by a highly skilled applicator (Ken). Still plenty of life left in the nozzles - just like the applicator.

(35K) NEW "LITTLE BUDDY" 14-GAL 12-VOLT ATV SPRAYER

1 or more at \$60.00 each

Factory blemished tank looks ugly, but works well. Puts weight of liquid further forward and lower for safety. Completely drains from lower leg. 1 gpm 12-volt pump. TeeJet wand. 15' of hose and 8' power lead. ATV not included.

(51) STIHL BG55 GAS POWERED HANDHELD BLOWER

Two stroke gas engine used to clean up after granular applications. At full throttle it moves 24,720 cubic feet of air per hour at a speed of Mach .207. Hold on before you pull the trigger. **\$99.00**

**(22) 43L-AL HANDGUN
